I may be crazy, but I ain't no fool  
I live my life by the golden rule  
That money can't buy everything it's true  
Yeah, but what it won't buy, I can't use  
I want Love or Money  
Gimme Love, or gimme Money  
My baby loved me, when I was down  
Yeah, but now I'm up, and she's still around  
And she's got a sports car, credit cards , her clothes  
are the best  
If we're still alive, I wouldn't put it to the test no, no!  
She wants Love, and a whole lotta money  
A whole lotta love, and a whole lotta money  
Gimme love or Money, gimme Love or Money  
She said Money honey  
That's what I want, is a whole lotta Money  
{guitar solo}

Over here!  
My baybeh says her Love is heavy  
Yeah, but it don't measure up to English pounds  
My Swiss franks, German marks, gimme the greenback  
dollar, (oh yeah)  
Just gimme Money, gimme Money, gimme Money!  
Love or Money, gimme Love or money  
She says.....  
Money Honey..... that's what I want  
Just a whole lot of Money  
(Love or Money)  
That's what I want  
(Love or Money)  
G-G-G-G-Gimme money  
(Love or Money)  
G-G-G-Gimme Money  
(Love or Money)  
{to fade}
