Stranger in a foreign land
Fearful cries surround him.
Returning home a wounded man
To find he's been forgotten, yeah.
Courage is the badge he wears
Blinded by obsession.
Wars are won by those who dare
The memory still haunts him.
Remember the heroes
Who fight for the right to choose.
Remember the heroes
We've all got a lot to lose.
A rebel to the naked eye
An undiscovered legend
Face the facts and don't ask why.
It's something to believe in.
In the dark
Day and night.
Fight for wrong to prove what's right.
Remember the heroes
Who fight for the right to choose.
Remember the heroes
Just another life to use
Remember the heroes.
We've all got alot to lose.
-solo-
Remember the heroes.
Remember the heroes.
Remember the heroes.
Remember the heroes.
To take a life without a say
Demanded without reason.
To turn our backs and walk away
A faceless act of treason.
A father's son must carry on
The wound is only deepened.
Remember the heroes
Who fight for the right to choose.
Remember the heroes
It's just another life to use
Remember the heroes.

You know we've all got alot to lose.
Remember the heroes
Who's gonna fill their shoes?
