I try to reach you but you're too far away.  
I try to talk but you've got nothing to say.  
Somehow you still reach me.  
Oh, how you fulfill me.  
Every time you nearly kill me with your  
Remote love.  
Last night I almost lost reception.  
But my antenna finally made connection, yea!  
I felt the static leave the line.  
Felt you comin' in just fine.  
Yea, you're strange but so original.  
You're  
Remote love  
(So far away)  
Remote love  
(Turn your signal my way)  
I'm readin' you loud 'n clear.  
And I know you're far away  
But you feel so near with your  
Remote love.  
Yeah!  
Turn it off, turn me on again.  
You'll say how, you'll say where and when, yeah!  
You make my cord obsolete.  
You make touching so incomplete.  
Yea, you make my batteries weak with your  
Remote love  
(So far away)  
Remote love  
(Aww, turn your signal my way)  
Well I'm readin' you loud 'n clear  
And I know you're far away  
But you feel so near with your  
Remote love.  
Hey!  
Remote love  
(So far away)  
Remote love  
(Turn your signal my way)  
Remote love  
(You're so far away)

Remote love  
(Just turn your signal my way)  
Remote love  
(Oh, yeah)  
Remote love  
Remote love  
(Turn your signal my way)  
Remote love  
Yea, you've got to bring it to me  
Oh, just a send it to me  
You've got to bring it to me  
Oh, yea!
