stop

All that I am is all that you've given me

Did you ever worry that I'd come to depend on you

I gave you all the love I had in me

Now I find you've lied and I can't believe it's true

wrapped in her arms I see you across the street

And I can't help but wonder if she knows what's goin on

You talk of love but you don't know how it feels

When you realise that you're not the only one

Oh you better stop before you tear me all apart

You better stop before you go and break my heart

Ooh you better stop

time after time I've tried to walk away

But it's not that easy when you're soul is torn in two

So I just resign myself to it everyday

Now all I can do is leave it up to you

Chorus

You better stop if you love me (you will remember)

Now's the time to be sorry

I won't believe that you'd walk out on me

Lead break

Chorus

Outro; ooh you better stop better stop

Ooh you better stop baby stop

Ad lib fades
