Cancelled flights, limousines,
Hustle bustles, crazy scenes.
First, you're here, then, you're there
Pretty soon, man, you've been everywhere.
Ooh, this planet's on fire
Oh, Satan's desire
We've seen the rise, we'll see the fall
He's here to see us all,
Burn in hell.
Time ticks away, faster, faster.
You run so fast you forget what you're after.
You make a deal to sell your soul
Just to find out, baby, it's been sold.
Ooh, this planet's on fire
Oh, Satan's desire
We've seen the rise, we'll see the fall
He's here to see us all,
Burn in hell.
Burn in hell.
Not me, baby!
-solo-
Ooh, this planet's on fire
Oh, Satan's desire
We've seen the rise, we'll see the fall
He's here to see us all,
Burn in hell.
Fine, white lines of crystal light
Keep us up all day and all night.
Oh, we just forgot girls and boys
Who thrive on cosmic toys.
Ooh, this planet's on fire
Oh, Satan's desire
We've seen the rise, we'll see the fall
He's here to see us all,
Burn in hell.
Burn in hell, Owwww!!
(This planet's on fire)
(This planet's on fire)
Ooh, this planet's on fire
Oh, Satan's desire
Ooh, this planet's on fire

Oh, Satan's desire, yeah!
Yes!
