She's American made, you know what I mean?
Red on black, she's a street machine.
Set's ten inches off the ground with a custom plate
That says I-E-A-T Z28
Trans Am
Trans Am
Trans Am
Highway Wonderland.
Yeah, '79 will be the end of the road.
If you want horse power overload.
Ooh, if you like kicks, just take her to the floor
And you red-line shift them gears feel the engine roar
on my
Trans Am
Come on catch me if you can
In my Trans Am, Highway Wonderland.
Trans Am
Trans Am
Trans Am
Highway Wonderland.
And she shines on the street.
And she shines at the heat.
And she shines in my baby's eyes.
And she shines on every other guy's
Trans Am
Trans Am
Trans Am
Highway Wonderland.
-solo-
T-R-A-N-S A-M
Trans Am!
-2nd solo-
From Daytona Beach down to Riverside
If there's a race, she's qualified.
My six point six gets a little too heavy
For a "Big Balls" Ford or a 350 Chevy
Trans Am
Come on, catch me if you can in my
Trans Am, Highway Wonderland
Trans Am
Trans Am

Me and my Trans Am
Come on, catch me if you can in my
Trans Am, ooh, Highway Wonderland.
Yeah!
Highway Wonderland!!! Yeah!
