You never hear about it
It's not the thing you talk over with friends
You never see it coming until it begins.
But something stepped in-between us
It's taken all of our time alone
In her heart love remains but is seldom shown
So why does she cry herself to sleep at night?
Why do I have to work so hard to make things right?
To fall in love came nat'rally
To make it last is so hard, you see.
I'm caught in-between the two sides of love.
A kiss goodbye a kiss hello
You wonder why she get's lonely.
You've got to show her, don't tell her, she's your one
and only, yeah!
So why does she cry herself to sleep at night?
Why do I have to work so hard to make things right?
To fall in love came nat'rally
To make it last is so hard, you see.
I'm caught in-between the two sides of love.
[solo]
We make promises, promises
And late at night you make big plans.
Someday we'll run away and leave the love demands,
yeah!
So why does she cry herself to sleep at night?
Why do I have to work so hard to make things right?
To fall in love came nat'rally
To make it last is so hard, you see.
I'm caught in-between the two sides of love.
Two sides of love
Two sides of love
Two sides of love
Two sides of love
