Your never boring,
Your always changing,
You feel amazing
Take me
Lead the way.
Im serious
Delirious
So into this
Let time slip away.
Crazy about you
Im no good without
What more can i say
I love you
And everything you do
I need you
Don't ever say we're through
I love you
The sun is shining
The world is smiling
Baby i love you
Your stupid laugh
Your salty skin
The heat within
And i can't help my self
I want to touch it baby
Look what you've made me
I want to do to you
The things I'd never do.
Im stuck without you
Im less without you
What more can i say
I love you
And everything you do
I need you
Don't ever say we're through
I love you
The sun is shining
The world is smiling
Baby i love you
I love you
And everything you do
I need you

Don't ever say we're through
I love you
The sun is shining
The world is smiling
Baby i love you
See these hands they wanna touch you
See these eyes they wanna watch you
See this mouth it has to taste you
As our lips part i start to miss you
And with my arms wrapped around you
I breathe in and i devour you
Im stuck without you
I can't live without you
What more can i say
I love you
And everything you do
I need you
Don't ever say we're through
I love you
The sun is shining
The world is smiling
Baby i love
I love you
And everything you do
I need you
Don't ever say we're through
I love you
Could we stay together?
Be mine forever
Say you love me too.
