Far From My Kingdom  
Golden Dreams, Tranquil Peace  
Far From Me, Pornographic Smiles  
Far Is Your World  
Lost In A Sea Of Nothingness  
A Passed Utopia, A Banished Lie  
Land, Of Infinite Spaces  
Suns, Of Interior Lights  
Dances Of The Absurd And The Real  
Liquid Soul Dimension  
The Force Is Around And The Force Is Inside  
I Swallow The Light And The Light Swallows Me  
I Don't Exist Anymore But I Feel As I Am  
But I Feel As I Am...  
Far Into The Inner Universe  
Detached, Free And Submissive  
From Up On My Throne  
I Command, I Obey
