Verse:

Will you throw out your fucking mind? (before we die
can't take this into strive!)
You're think far too much as of bitch (before we die
and lost in deep shame!)
Too much long till the stampede laced in sick (take it
on take it all!)
Too much long till the stampede rages on! (that is
true? damn it's true!)

Pre chorus:

Here comes the heroes who lead the squads
But he fall down to deep sorrow of darkness!

Reff:

I'm trying to take you down
But you still stand without mercy
So spread your fuckin rampage
Together we destroy this village!

Remove peace from the world
Just blind the blood shot eyes
Through the ice vented heart
And wake the hilarious rampage!

*interlude

I'm not to fair
This will ends
To take your heart and your feel

I'll be the one
For this time
In stand hilarious rampage

When it came the day of morning suns
That's the end of the lies
In stand hilarious rampage
THE FUCKIN MURDER RAMPAGE!

But you still stand without mercy
So spread your fuckin rampage
Together we destroy this village!

Just blind the blood shot eyes
Through the ice vented heart
And wake the hilarious rampage!

Here comes the heroes who lead the squads
But he fall down to deep sorrow of darkness!
