### "Sin For Me"

Visit "[Sin For Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Seven days at ease  
Short cut to Freeze  
A tight rope of sand  
Cancels Romance  
Your crime of greed  
Forced me to bleed  
Don't sin for me now

Seven minute dream  
Tied up for real  
Frozen dance to save  
Your precious veil

Your crime of greed  
Forced me to Bleed  
Don't Sin for me now

I hate your crush on me  
A killing rope of greed  
I need a charming angel  
I need to find your anger  
Sin for me don't pray for me  
Don't sin for me

Your crime of greed  
Forced me to bleed  
Your crime of greed  
Your crime of greed  
Your crime of greed

Seven days at ease  
No time to breath

Back on the table  
Down Georgia Lane

Your crime of greed  
Forced me to bleed

Sin for me better than god  
Bleed for me forever more

Pray for me better than god  
Breathe for me never again  
Pray for me better than god  
Breathe for me never again  
Pray for me better than god  
Breathe for me never again

Short cut to freeze

Your crime of greed  
Your crime of greed  
Your crime of greed

Your crime of greed  
Your crime of greed  
Your crime of greed

Your crime of greed  
Your crime of greed  
Your crime of greed

Your crime of greed  
Forced me to bleed
