Verse 1

Fo the rest of my life  
I be ballin fuckin top notch hoes  
makin the coroner mad as fuck when he look at that  
body wit out clothes  
frozen memories of mutha fuckin used to be  
fucked in the game I aim fo the brain constantly  
doin 90 I mash  
empty 8 miles an hour

I dump in the middle of the street if the job turn sour,  
these cowards,  
don't really know who tha fuck they fuckin wit,  
Eddie Bauer,  
Super Sport, Lexo's, wit shipped kits,  
went from Nike's to Levi's,  
top hats, to black ties,  
from nation to worldwide,  
been a gangsta since knee-high,  
fallin on you bitches, stayin away from you snitches,  
so if anybody got nuts, I'm servin yo ass like some  
tennis,  
servin yo ass like a gymnast,  
who got it crackin like me??  
ain't no doe-doe, shake a hoe like a po-po,  
movin 'em off that weed,  
I will blow until you bleed, this boy gonna make it,  
call the coroner for that ass,

\*(Chorus)\* x2

## Verse 2

I stick bitches like a cactus,  
an I'm deadly wit no practice,  
layin these niggaz down on the ground, like layin these  
hoes on a  
matress,  
no theatrics,  
these movies ain't got shit on me,  
it's this Mafia life I live in the S-A-C,  
these niggaz be lookin pitiful,  
wit rhymes that come out critical,  
actin like they bad, not knowin they nouns, pronouns,  
an syllabls,  
you niggaz can't get wit me can't daddy I move too  
quickly,  
most of them they talk they shit, but they scared to rain  
like they name  
Missy,  
my pistola, he ring like Motorola's when I'm drivin,  
attractin attention like hoes,  
have naked,  
sun shining out the 9-1-5 plus 1 city,  
get the picture,  
kill it don't matter as long as my pockets gettin thicker,  
they say rich or for poor,  
but that shit ain't nuthin but paper,  
it's Siccness, I'm major cuttin yo flesh like a razor,  
an fuck Dr. Dre... EASTCOAST NIGGA,
