Come on, come on

Chorus:

Tell me what you want

What you want from me

Cause I come 100% guaranteed

When I can be the girl of your fantasies

Come on, come, come, come bring it to me

Your what I want

What I want and need

And do you really think you can please a girl like me

And if you know how to give a girl what she needs

Come on, come, come, come bring it to me

My friends all say

How's he's just so crazy

That way it came to be

Like it was meant to be

Cause you were just so unpredictable

And irresistible

B-Section:

And all I really know is baby

You came on me like an 8 day week

And what i'm saying is

If it's really meant to be

Chorus

So let's just say

That it's not that easy

Cause I won't settle for

I'm always wanting more

I'd love to know

Just how far this will go

B-Section
