Crazy, oh yea yea, oh yea
Oh yea yea, yea yea, oh

Anytime you look at me
I can't help but see
Anything I want and more
You're the biggest part of me

Deep down I know inside
There's nothing I can do
Nobody else will ever make me
Feel the way, the real way you do

Crazy in love with you
With all the little things you do
I just can't get enough, oh yea
Crazy for you

Every time I see your face
You just make me smile
I wanna get right next to you
And stay there for awhile

When I look into your eyes
I realize what's true
Nobody else will ever make me
Feel the way the real way you do

Crazy in love with you
All the little things you do
I just can't get enough, oh yea
Crazy for you, crazy for you, oh yea

Do you know I live to love you?
Where you go, I will follow
When I dream, I dream the sweetest
Dreams of you and me together
No we'll feel this way forever

Crazy in love with you
All the little things you do
I just can't get enough, oh yea

Crazy for you, you yea

Crazy in love with you
All the little things you do
I just can't get enough, oh yea
Crazy for you, you yea

Yea
Oh baby
Oh baby, so crazy
Yea yea, yea yea yea yea yea yea
Oh, yea yea yea yea
