(riffi, manirock, ma song)

Do what you wanna do, do
What you wanna do, do
What you wanna do, do
What you wanna do, do
What you wanna do, do

What you wanna do, there
Was a time, when we did all
The things we wanted to do

You were here, for me, and
Gave me loving, when I needed you
Make up your mind
And give me the answer
I guess you wanted to know this from me

No pain, no tears
I'm telling you
Just let me be free

You can do what you wanna
Say what you wanna
Just let me be free

You can do what you wanna
Say what you wanna
Just let me be free

You can do what you wanna
Say what you wanna
Just let me be free

Living with you ain't
Just the same as we did before
To be honest with you
I don't wanna be your lover

Make up your mind
And give me the answer

Where are we going
Together from here

No time for tears
I don't want this no more
Please let me be free
Let me be free, let me be free

Do what you wanna do, do
What you wanna do, do
What you wanna do, do
What you wanna do, do
What you wanna do, do
What you wanna do, do
Let me be free, let me be free
