Nothings gonna stop me now
Nothings gonna stop me now

There was a time I couldnt get you out of my mind
And since the day you came you tried to take control of
me
Then came the day, I thought about running away
And now my bags are packed, don't even think of
holding me back

Nothings gonna stop me now
And I don't wanna talk it over
I said nothings gonna stop me now
Gonna break it up
Gonna take my love away, yeah, yeah

Day after day, I started slippin away
You took my self respect and you made a fool of me
Time after time, I turned it round in my mind
And now my minds made up to leave the past behind
me

Time after time, I turned it round in my mind
And now my minds made up to leave the past behind
me

Nothings gonna stop me now
Nothings gonna stop me now

There was a time I couldnt get you out of my mind
And since the day you came you tried to take control of
me
Then came the day, I thought about running away
And now my bags are packed, don't even think of
holding me back

Nothings gonna stop me now
And I don't wanna talk it over
I said nothings gonna stop me now

Gonna break it up
Gonna take my love away, yeah, yeah

Day after day, I started slippin away
You took my self respect and you made a fool of me
Time after time, I turned it round in my mind
And now my minds made up to leave the past behind
me

Time after time, I turned it round in my mind
And now my minds made up to leave the past behind
me
