Come on! (x7)
Santa maria
(oh) santa maria
Ooh-ooh-ooh

I said come on baby take me higher
'cause I'm dreamin' of your love
Dreamin' of your love
And I wanna be your heart's desire (desire)
You're my fire (fire)

Oh
Oh

Santa maria
Santa maria
(oh)(oh)
Santa maria
(oh) santa maria

Come on! (x7)

And I only wanna be with you baby (baby)
Yes you know it's gonna be heaven here with me
Remember how it used to be baby (baby)
Do you feel it

Oh
Oh

Santa maria
(oh)(oh) santa maria
Santa maria
(oh) santa maria

{rap by eagle e:}
Rhyme to rhythm come on
Feel the rhythm
It's the rhythm and rhyme that rocks the whole time

Rhyme-rhyme to the rhythm
Come on, feel the rhythm
It's the rhythm and rhyme that rocks the whole time
(repeat lines 4-6 twice with "come on!" repeating in background)

Santa maria
(rhyme to rhythm come on
Feel the rhythm
It's the rhythm and rhyme that rocks the whole time)
(oh) santa maria
Come on! (x7) baby, baby, baby
(oh)(oh) santa maria
(rhyme to rhythm come on
Feel the rhythm
It's the rhythm and rhyme that rocks the whole time)
(oh)(oh) santa maria
Come on! (x7)
(ooh-ooh-ooh)
(oh)(oh) santa maria
(rhyme to rhythm come on
Feel the rhythm
It's the rhythm and rhyme that rocks the whole time)
Come on. . .
Santa maria
