I'm seventeen
I'm a dancing queen
Dancing it on the street
Nine to five have to stay alive
Surviving from the heat - whoo!
Rock and roll within my soul
From my hat down to my shoes
But when I reach the big one, hey
Will I still be in use?

{chorus:}
Mmm-seventeen, seventeen-who!
Seventeen and holding
Keep the days, keep the days,
Keep the days a-rollin'
Seventeen, seventeen and rollin'
Seventeen, seventeen and holdin'

A-woo! a-woo!

The parents said
There ain't no way
I'll knock you off your seat
When my birthday rolls around
They'll be dancin' on the street

Mmm! rock and roll within my soul
From my hat down to my shoes
But when I reach the big one, hey
Will I still be in use?

{chorus}
{music interlude}

Seventeen, seventeen
Keep the days, keep the days
Seventeen, seventeen
Seventeen, seventeen

{chorus}

Rollin' rollin'
Rollin' rollin'
You gotta roll my shoes on the floor
