Oh let me tell you
Just what's on my mind
I dream about you all the time
I just wanna give you anything I can
Let me show you everything I am

Why is it so hard to get through to you
Just what I feel when you walk in the room?

What you do to me
I can't believe
What I'm feeling when
When you look at me
What you do to me
Oh I can't conceive
Just what I'd do when you do
What you do to me

Used to getting anything I want
S why am I letting you get to my heart
I never thought that my mind would fantasize
That I'd reveal what I feel inside
