I'm la la, la la, la la, la lost

I'm la la, la la, la la, la lost

In la la, la la, la la, la la, la la ah love

I'm la la, la la, la la, la lost

I'm la la, la la, la la, la lost

In la la, la la, la la, la la, la la ah love

(VERSE)

I'm gettin' lonely

Yeah, come on come on I want you on me

Take my love and then you take my money

Take my soul and mind

Beat the beat

You beat it like a drummer drummer

You got me

I'm ready and I'm never gonna

Leave ya, leave ya

You got me so high

(CHORUS)

But I can't get enough

I hear the music that's locked inside my mind

And I get lost in the beat of love

And I'm needing the poison of the night

But I can't get enough

I hear the music that's locked inside my mind

And I get lost in the beat of love

And I'm needing the poison of the night

You got me

la la, la la, la la, la lost

In la la, la la, la love

And I'm so

la la, la la, la la, la lost

In la la, la la, la love

(VERSE)

My makeup's on me

Got them pretty boys up all around me

But you, you've got control over my body

Together we gonna fly

Beat the beat

You beat it like a drummer drummer

You got me

I'm ready and I'm never gonna

Leave ya, leave ya

You got me so high

(CHORUS)

But I can't get enough

I hear the music that's locked inside my mind

And I get lost in the beat of love

And I'm needing the poison of the night

But I can't get enough

I hear the music that's locked inside my mind

And I get lost in the beat of love

And I'm needing the poison of the night

You got me

la la, la la, la la, la lost

In la la, la la, la love

And I'm so

la la, la la, la la, la lost

In la la, la la, la love

(BREAKDOWN)

Tron money gonna get love tonight

Tron money gonna get love tonight

Tron money gonna get love tonight

Sayin' la la la la la love

Are you lookin' for love tonight?

Who's lookin; for love tonight?

Cuz tron money got love tonight

Sayin' la la la la la love

(CHORUS)

But I can't get enough

I hear the music that's locked inside my mind

And I get lost in the beat of love

And I'm needing the poison of the night

You got me

la la, la la, la la, la lost

In la la, la la, la love

And I'm so

la la, la la, la la, la lost

In la la, la la, la love
