So what? So you're coming on to me

What'd you expect me to say?

I run and you're walking after me

Keep up if you wanna race

Chorus

Saying ooh, baby guess I gotta say what I gotta say

What I'm gonna do to ya, in this game that you wanna play

You don't wanna lose do ya? But I don't know how much you can take

Now it's up to you to save me

And we can do it baby, if we do it

Dirty dirty, dirty dirty x 3

Dirty dirty, if we do it

V2

So sure, you think I'm incredible

And I got you on a string

Around me like you're an animal

But would you do anything?

Chorus

Saying ooh, baby guess I gotta say what I gotta say

What I'm gonna do to ya, in this game that you wanna play

You don't wanna lose do ya? But I don't know how much you can take

Now it's up to you to save me

And we can do it baby, if we do it

If we doin' it dirty baby x 4

Chorus

Saying ooh, baby guess I gotta say what I gotta say

What I'm gonna do to ya, in this game that you wanna play

You don't wanna lose do ya? But I don't know how much you can take

Now it's up to you to save me

And we can do it baby, if we do it

Dirty dirty, dirty dirty x 3

Dirty dirty, if we do it
