This is where I'm living  
Who am I to tell him  
That what he's doing  
Just ain't right  
Standing on the corner  
Hustling all day...damn...  
On the street lights  
Even though he's thugging, I love him  
And I want him in my life

No matter what people say  
I'm gonna love him anyways  
Cause he does a lot for me  
And that is why I'm gonna be  
A lover  
A friend  
A soldier  
Til the end  
And that's how it's gonna be

Mother and my father, don't understand me  
They think I messed up my life  
But I don't agree  
They need to mind their business  
Cuz it's my life  
And even though he's thuggin, I love him (she loves  
him)  
And I want him in my life ( life)

No matter what people say  
I'm gonna love him anyways  
Cause he does a lot for me  
And that is why I'm gonna be  
A lover  
A friend  
A soldier  
Til the end  
And that's how it's gonna be

So what you saying, I can't love him  
Cuz he's a hustler out her thuggin

I know you're waiting  
Sitting around hoping  
That 5 0 come and take him away

Well even if they do  
I remain true to love him

No matter what people say  
I'm gonna love him anyways  
Cause he does a lot for me  
And that is why I'm gonna be  
A lover  
A friend  
A soldier  
Til the end  
And that's how it's gonna be
