(go! go! go! go! go! go!

Go! go! go! go! go! go!)

{chorus:}

All I wanna do is

All I wanna do is

All I wanna do is

Dance with you baby

All I wanna do is

All I wanna do is

All I wanna do is

Dance with you baby

Full force: I think that we can do this

You're looking kinda fly, but then you already knew this

I'm just another guy, and yes I understand

Can't take the place of your man

Sam: why can't you leave well enough alone

I was better off when I was on my own

Ff: if you take a chance with me

You know you wanna

(you've got to baby)

{chorus}

Oh yeah

Sam: you think that I'm the fast one

Didn't you see what happened to the second to last one

He pushed up in my face 'cause he wanted to have fun

Just like you

Ff: but girl, I like the way you move - whoa

You think I know of the word for me was "smooth"
Oh girl, what more do I have to try

Sam: boy, I can see what you're trying to do
Whatever makes you feel
I wanna be with y-o-u

Ff: girl, take a chance with me
You know you're gonna - (rock me baby)

Sam: whattaya wanna do with my love?

{chorus; feel force ad-libbing }

Don't stop
Don't stop

Ff: non-understandable lyrics. my apologies if you're
here!

{spoken:}

Ff: listen miss sweet fox, I don't want the box, all I
wanna do is dance!

Sam: well, can you make it jump?

(come on get ya some more
Come on get ya some more)
(baby, baby)

{chorus}

Ff: I can't take no more

Sam: all you wanna do , all you wanna do, all you
wanna do is dance with me baby

{chorus}
