Woman, woman, she has got the best of me, my man

I met a friend of mine just the other day
She was really sorry, I said, "I'm okay"
Then she told me 'bout a boy who looked like you
On your Harley D, you were talkin' to
Another woman, another woman

I'm not the kind of girl who would take advice
I'm a self-made lady of my own device
I let the people say what the people want
And I'm askin' you, are they right or wrong?
Another woman, another woman

Too many people walk out in the rain
You saved her from drownin', there's no one to blame
And if I cry me a river, my life stays the same
Got nothin' to live for, I'm losin' the game
She has got the best of me, my man

Now, the reason water turns to red, red wine
I'd buy the story from you every time
You could even tell me that the world is flat
But I never thought that you would ever have
Another woman, another woman

So, I call you up 'cause I'm missin' you
I dial your number and I get right through
Then the poison arrow hits as cold as ice
Another woman, another woman

Too many people walk out in the rain
You saved her from drownin', there's no one to blame
And if I cry me a river, my life stays the same
Got nothin' to live for, I'm losin' the game
She has got the best of me, my man

Too many people walk out in the rain
You saved her from drownin', there's no one to blame
And if I cry me a river, my life stays the same
Got nothin' to live for, I'm losin' the game
She has got the best of me, my man

Too many people walk out in the rain
You saved her from drownin', there's no one to blame
And if I cry me a river, my life stays the same
Got nothin' to live for, I'm losin' the game
