(st. george)

You say you want me, you say you need me  
Can you tell me this time love's for real  
It's all the same, it's just a game  
You break the rules and break my heart again  
I tell you baby that you better beware  
Someday boy I won't be waiting there  
I'm left alone and then you phone  
The words so hot but they turn me cold  
You better be careful I could lose control  
Someday boy I might not hear you call

Don't cry wolf, if you wanna get my love babe  
If you want my love stop playing with my heart  
Don't cry wolf, it's gotta be all or nothing  
Or I'll find myself a new love  
Don't cry wolf (if you want my love)

You think you can't miss with your sweet kiss  
But I don't want your empty promises  
I could be free, can't you see  
You're not the only guy that satisfies me  
And one day boy you're gonna take it too far  
And one day I might forget who you are

If you imagine my heart is weak you've got it wrong  
When you phone, when I come running  
Baby no way I'll be gone

So you think you can be a sly fox with my love  
Maybe that don't work with me  
I'm tired of hearing you howl so little boy blue  
If that's you, don't cry wolf

This time I won't be mislead  
I'm warning you, you better watch your step

Don't cry wolf, if you wanna get my love babe  
If you want my love, stop playing with my heart  
Don't cry wolf, it's gotta be all or nothing  
I'm warning you, don't cry wolf
