Okay  
this is it  
hold on tight !  
Well  
since you told me

Yes  
I'm out of control  
we're gonna rock this town

Gonna watch it rattle and roll  
hold on honey  
hold on tight !  
It's only money and tonight's the night

In answer to your question - just a hold on tight.

Well  
I'm in a whirl  
a lucky girl  
Who's found her only treasure

Being without you  
thinking about you  
Has been my one and only plea  
I made my mind up  
set my sights

I followed you morning  
noon and night

And since you put my lonely life to flight - hold on tight.

Hold on  
hold on tight  
me and you're flying to heaven tonight.  
Hold on  
hold on tight  
me and my sweet  
a little dynamite.  
Hold on  
hold on tight

I've waited for you all of my life.  
Hold on  
hold on tight

don't let go

just a hold  
just a hold on tight.

Well  
the dream machine is rolling now  
you're on board

We're paradise bound  
never got that far before

Me and you honey  
we're two of a kind

We're heading for heaven in a vertical climb

In answer to your question - just a hold on tight.

Well  
I'm in a whirl  
a lucky girl . . .  
Hold on  
hold on tight

me and you're flying to heaven tonight. . . .

I made my mind up  
set my sights

I followed you morning  
noon and night

And since you put my lonely life to flight - hold on tight.  
Hold on  
hold on tight

me and you're flying to heaven tonight. . . .

Hold on  
hold on tight

me and you're flying to heaven tonight.  
Hold on  
hold on tight

don't let go

just a hold  
just a hold on tight.
