If music be the food of love, then play on

Play on, play on

Play on, play on

If music be the food of love  
Then baby, play on, play on  
Let the heavens celebrate our love  
And baby, play on, play on

To be or not to be, it doesn't matter much to me  
(That's right)  
Wherefore art thou my romeo, the only boy I want to  
know  
He's mine  
(He's mine)

I guess I'm lucky, I lead a charmed life  
I want you boy for the rest of it  
I know baby that you want me too  
We can make music the whole night through

If music be the food of love  
Then baby play on, play on  
(Celebrate)  
Let the heavens celebrate our love  
And baby, play on, play on

(That's Shakespeare)  
To be or not to be

Romeo, oh, Romeo  
Wherefore art thou my romeo  
(He's the best)  
Hold me tight and dance with me  
And whisper words of poetry, yeah

You say that love will satisfy this heart of mine  
Sweet words of love will penetrate me every time

If music be the food of love  
Then baby play on, play on

Let the heavens celebrate our love  
And baby, play on, play on

If music be the food of love  
Then baby play on, play on  
Let the heavens celebrate our love  
(Celebrate)  
And baby, play on, play on

I wear my heart upon my sleeve  
I want you baby, don't ever leave  
If love is blind that's all Greek to me  
'Cause we'll live a charmed life in perfect harmony,  
yeah

To be or not to be, to be or not to be  
That's Willie the shake  
Play on  
To be or not to be, to be or not to be  
Play on, play on

If music be the food of love  
Then baby play on, play on  
Let the heavens celebrate our love  
And baby, play on, play on

Groovy  
To be or not to be  
Play on  
Let the heavens celebrate our love  
(Celebrate)  
And baby, play on, play on

If music be the food of love  
Then baby play on, play on  
(That is Shakespeare)  
Let the heavens celebrate our love  
(Celebrate)  
And baby, play on, play on

(To be or not to be)  
If if music, if if music, if music  
If music be the food of love  
(To swing or not to swing)  
To be or not to be, to be or not to be

If music be the food of love  
If music, if music, if music be the food  
If music, if music, if music be the food  
If music, if music, if music be the food  
If, if, if, if

Let the heaven celebrate our love  
And baby, play on, play on
