(spoken)

Maybe, just maybe

Naughty girls need love too

(sung)

I've been told time and time again

that you can't treat love like a game

But I play rough with hearts that never mend

'cause some guys like you do the same

Love was just a four-letter word

never heard, how absurd, how could it be

But now I can't believe this is real

How I feel, now you steal my heart away from me

Used to be so good and so bad

sex was something I just had

Used to always know what to do

now you've got me confused

Baby don't let me be misunderstood

temporary love's so bad, but it feels so good

Then along came you, now I know it's true

Naughty girls need love too

Then came you

Then came you

Yes it's true, I'm in love with you

And believe it baby

this time your love won't get away

Stay here, in the place to be

we can get busy my way

For six forevers and a day

Ooh, it's only you I adore

so much more than my body was asking for

Yes, your love is breaking my chill

Even still, there's a thrill in my heart

Samantha Fox was such a wild dame

huh, but what's in a name

(S-S-Samantha S-S-S-S-Samantha Fox!)  
No more fun and games of the mind  
let's get busy one time

Woh!

So moving like you're forty  
This groove is much too naughty  
Can't you see, I want you just for me  
Boys, make some noise  
Girl, I want to shower you with diamonds and

Please don't tease, if you lie my heart will freeze  
Freeze, freeze, freeze, freeze, freeze, freeze, freeze...
