(bolland/bolland)

The day I met you, I was so confused
I never knew anyone that could blow my fuse
And now I want you and you want me, too
My God and angel really came through

My luck has changed, my life's rearranged
I was a prisoner, but you broke my chains

I got this one in a million
Once in a lifetime feeling about you
Baby, baby, don't you know
I got this one in a million
Once in a lifetime feeling about you
Baby, baby, don't you know
You drive me crazy
And now I can't seem to live my own life without you
Baby, baby, can't you see
I got this one in a million
Once in a lifetime feeling about you
Baby, baby, 'cos you're one in a million
Yeah, you're one in a million
'cos you're one in a million
Yeah, you're one in a million
