Just a handful of heroes wavin' flags across the world
Fast food and freedom, iron hand in velvet glove
For a fistful of dollars, anything at a price
It's always a gamble, say your prayers and roll the dice

History for you and me, stretchin' out miles and miles
Liberty, equality, that's never goin' out of style, yeah

(Spirit of America)

That's the spirit of America, doin' okay just a heartbeat
away

(Spirit of America)

That's the spirit of America, you burn from coast to
coast

(Spirit of America)

That's the spirit of America, it's everybody's dream
There's a new tomorrow, now

The last lonesome cowboy turns to make his final stand
Tall in the saddle, burnin' rifle in his hand
Now, his world is a memory and the freeway takes him
home
Too tired and weary for the man to stand alone

Reachin' out, pushin' hard, findin' your way at last
Shakin' loose, breakin' through, build a future from the
past, yeah

(Spirit of America)

That's the spirit of America, doin' okay just a heartbeat
away

(Spirit of America)

That's the spirit of America, you burn from coast to
coast

(Spirit of America)

That's the spirit of America, it's everybody's dream
There's a new tomorrow, now

History for you and me, stretchin' out miles and miles
Liberty, equality, that's never goin' out of style, yeah

(Spirit of America)

That's the spirit of America, doin' okay just a heartbeat
away
(Spirit of America)
That's the spirit of America, you burn from coast to
coast
(Spirit of America)
That's the spirit of America, it's everybody's dream,
there's a new tomorrow

(Spirit of America)
That's the spirit of America, doin' okay just a heartbeat
away
(Spirit of America)
That's the spirit of America, you burn from coast to
coast
(Spirit of America)
That's the spirit of America, it's everybody's dream
There's a new tomorrow, now

(Spirit of America)
That's the spirit of America
