(j.astrop)

Suzie, you're the best friend that a girl ever had
But something I tell you's gonna make you mad
You introduced me to the boy of your dreams
But I get the funny feeling all is not as it seems
He's not thinking of you

Don't leave me with your boyfriend
Suzie, can't you see
He's been making eyes at me
Something happened late last night
And he's not thinking of you

Don't leave me with your boyfriend
Please take him away
His love for you has gone astray
Didn't you hear me say
Don't leave me with your boyfriend

I know it's bad & I know it's wrong
You've made it clear that our friendship's gone
But your reasons for love were hollow inside
I tried to warn you but it hurt your pride
And he's not thinking of you

Don't leave me with your boyfriend
'cos when I see his face
I want to feel his warm embrace
When you're in love it's no disgrace
And he's not thinking of you

Don't leave me with your boyfriend
Please take him away
His love for you has gone astray
Though our friendship fades
Don't leave me with your boyfriend

Don't leave me with your boyfriend
'cos I love him so
I'd never want to let him go
Didn't I tell you so

Don't leave me with your boyfriend
