Recollect me darling raise me to your lips

Two undernourished egos four rotating hips

Hold on to me tightly I'm a sliding scale

Can't endure then you can inhale

Clearly

Out of body experience interferes

And dreams of flying I fit nearly

Surrounds me though I get lonely

Slowly

Moving up slowly

Inertia keeps

She's moving up slowly

Slowly

Moving up slowly

Inertia creeps

Moving up slowly

She comes

In my home no chrome as clear as

See me now with my nearest dearest

Been there when I'm over careering

Room shifting is endearing

Between us is our kitchen

Would you found my irritant's itching

Been here before

Been here forever

Moving up slowly

Inertia keeps

Moving up slowly

Inertia creeps

Moving up slowly

Inertia keeps

Moving up slowly

She comes

Moving up slowly

Moving up slowly

She comes moving up slowly

Inertia creeps moving up slowly

She comes

There be no sound in my eidertown

Awake I lie in a morning's blue

Room is still my antenna in you

Nylon burns the bedspread with two

Gravity's zero see me stall

I bounce off walls lose my footing and fall

It can be sweet though incomplete though

And the frames will freeze

See me on all four's

It's been a long time

She comes

She comes

I want to x you

She comes

I want to x you

She comes

I caught your radio waves (x2)

Will you take a string

Say you string me along (x2)

Say inertia creeps

Inertia creeps and she comes

Say she comes
