"Safe From Harm"

Midnight ronkers

City slickers

Gunmen and maniacs

All featured on the freakshow

And I can't do nothing 'bout that, no

But if you hurt what's mine

I'll sure as hell retaliate

You can free the world you can free my mind

Just as long as my baby's safe from harm tonight

You can free the world you can free my mind

Just as long as my baby's safe from harm tonight

I was lookin' back to see if you were lookin' back at me

To see me lookin' back at you

Lucky dippers

Crazy chancers

Seems to be moving fast

What happened to the nicities

Of my childhood days

Well i can't do nothing 'bout that, no

But if you hurt what's mine

I'll sure as hell retaliate

I was lookin' back to see if you were
I was lookin I was
I was lookin' back to see if you were lookin' back at me
To see me lookin' back at you
You can free the world you can free my mind
Just as long as my baby's safe from harm tonight
You can free the world you can free my mind
Just as long as my baby's safe from harm tonight
Tell us what it is dangerous
Friends and enemies are contagious
And they spread into your system like a virus
Yes the trouble is it kind of makes you anxious
I was lookin' back to see if you were lookin back at me
To see me lookin back at you
I was lookin' back to see if you were lookin back at me
To see me lookin back at you
But if you hurt what's mine
I'll sure as hell retaliate
You can free the world you can free my mind
Just as long as my baby's safe from harm tonight (x2
