I know that I've been mad in love before  
and how I could be with you  
[You] really hurt me baby, you really cut me baby  
How can you have a day without a night  
you're the book that I have opened  
and now I've got to know much more  
The curiousness of your potential kiss  
has got my mind and body aching  
[You] really hurt me baby, you really cut me baby  
How could you have a day without a night  
you're the book that I have opened  
and now I've got to know much more  
Like a soul without a mind in a body without a heart  
I'm missing every part...  
Like a soul without a mind, in a body without a heart  
I'm missing every part  
Like a soul without a mind, in a body without a heart  
I'm missing every part  
Like a soul without a mind, in a body without a heart  
I'm missing every part
