Im still alive
But im bearyl breathing
Just prayed to a god
That i dont believe in

Now i got time
while he got freedom
When a heart breaks
No, it dont break even

CHORUS
What am I supposed to do
When the best part of me
was always you
And what am i supposed to say
When Im all choked up
And your OK

Im falling to pieces, yeah
Im falling to pieces,oh yeah

You took her heart
and my heart
And done all the pain
I took the suitcase
And I took the blame

Tryin to hold on to
What little remains, Oh
But you left me with no love
And honour to my name

Im still alive
But im bearyl breathing
Just prayed to a god
That i dont believe in

Now i got time
while he got freedom
When a heart breaks
No, it dont break even

CHORUS

What am I supposed to do
When the best part of me
was always you
And what am i supposed to say
When Im all choked up
And your OK

Im falling to pieces, yeah
Im falling to pieces,oh yeah
