Da-da, da-da-da, da-da

[Verse 1:]

You wouldn't say it to my face
But I know you take my place
Bumpin me just like the base
If I left him
You know that he's my superstar
It don't matter where you are
Girl, you ride him like my car
If I left him (if I left him)

[Pre-Chorus:]

You think that I don't know
He still the same (oh-oh)
Would you be ready to go
If I left him
Don't think I'm catchin a lay
Don't you say hey hey
Would you be going this way
If I left him

[Chorus:]

You got me laughin (ha-ha ha-ha)
You want my boyfriend
I know you like him (uh-huh uh-huh)
You want my boyfriend
You think you got him (ha-ha ha-ha)
You want my boyfriend
Well think again (uh-huh uh-huh)
Can't have my boyfriend

[Verse 2:]

I know you wonder how it feels
To be standin in my heels
No, you be takin it forreals
If I left him
I know that he's so fine
That's why he's so mine
You be runnin like the time
If I left him (If I left him)

[Pre-Chorus:]

You think that I don't know
He still the same (oh-oh)
Would you be ready to go
If I left him
Don't think I'm catchin a lay
Don't you say hey hey
Would you be going this way
If I left him

[Chorus:]

You got me laughin (ha-ha ha-ha)
You want my boyfriend
I know you like him (uh-huh uh-huh)
You want my boyfriend
You think you got him (ha-ha ha-ha)
You want my boyfriend
Well think again (uh-huh uh-huh)
Can't have my boyfriend

[Hook:]

I know you've been thinkin about him
Every night and day
Listen to me
There's some things I just got to say
Best believe me when I'm telling you
Your game is lame
You wouldn't stand a chance at all
If I left him
Ooh
You like my boyfriend (uh-huh uh-huh)
You like my boyfriend (uh-huh uh-huh)
Can't have my boyfriend (uh-huh uh-huh)
If I left him

[Chorus: x2]

You got me laughin (ha-ha ha-ha)
You like my boyfriend
I know you like him (uh-huh uh-huh)
You want my boyfriend
You think you got him (ha-ha ha-ha)
You want my boyfriend
Well think again (uh-huh uh-huh)
Can't have my boyfriend

Ow, ow, ow, ow

You you like my boyfriend [x3]
Can't have my boyfriend
You like my boyfriend
Who do you think you are?
