My problem isn't that i miss you,  
Cause I don't  
My problem isn't that i kissed you,  
Woah oh

I figured out,  
That you're nothing that I thought you're about,  
You're just caught in a place,  
It's what time will erase in my heart

You're my type of guy I guess,  
If I was stuck in East Northumberland High,  
For the rest of my life,  
But people change,  
Thank God I did

Just because I wanted you then  
Doesn't mean I want you now  
Just because I wanted you then  
Doesn't mean I want you

You're problem's not for lack of trying,  
Cause you do  
It's just that you're at you're best when you're lying  
Woah oh

Now you're standing here,  
and saying things you think I wanted to hear  
But you've got it all wrong,  
I've already moved on my dear

You're my type of guy I guess,  
If i was stuck in East Northumberland High,  
For the rest of my life,  
But people change,  
Thank God I Did

Just because I wanted you then,  
Doesn't mean I want you now  
Just because I wanted you then,  
Doesn't mean I want you

When you're standing near me,  
I don't see so clearly,  
The feelings are still helpable  
But when I take two steps away,  
It shakes some light on my day

Yeah you can't go back,  
It's all in the past,  
Guess you gotta laugh at it

You're my type of guy I guess,  
If I was stuck in East Northumberland High,  
For the rest of my life,  
But people change,  
Thank God I did.

And if there's some confusion,  
Let me tell ya you're just delusional,  
get a clue,  
cause people change,  
Thank God I did,  
Thank God I did,  
Thank God I did.

Just because I wanted you then,  
It doesn't mean i want you now,  
Just because I wanted you then,  
I doesn't mean I want you,  
Doesn't mean I want you.

Just because I wanted you then,  
It doesn't mean I want you now.
