I wish I could be one of those girls,  
who doesnt care what people think.  
But I'm not.  
I wish I could could say  
all the right things  
without sticking my foot in my mouth.

To be popular  
never insecure.  
like the girls who have it all.

such an easy ride  
they dont even try  
it can make you feel so small.

i wish i didnt want to be one of those girls.  
but to be honest with you  
sometimes i do.  
i wonder what it would be like to be head of the world.  
not feel empty inside  
to be satisfied.  
just like just like just like.  
one of those girls.

i imagine that i'm one of those girls.  
who looks just right  
in whatever she wears.  
the kind of girl who gets whatever she wants.  
by just a smile with flip of her hair.

it seems so unfair  
when you cant compair.  
to the flawless beauty queens.  
when you dont come close  
to the models you see in the magazines.

i wish i didnt want to be one of those girls.  
but to be honest with you  
sometimes i do.  
i wonder what it would be like to be head of the world.  
not feel empty inside  
to be satisfied.

just like just like just like.  
one of those girls.  
i know deep inside.  
i'm alright. i'm just fine.  
i wish i didnt want to be one of those girls.  
but to be honest with you  
sometimes i do.  
i wonder what it would be like to be head of the world.  
not feel empty inside  
to be satisfied.  
just like just like just like.  
one of those girls.

(just like just like just like)  
one of those girls.  
(just like just like just like)  
one of those girls.
