Ooooohh yeah yeah yeah
Yeeeahh

Please tell me one more time
that i'm not dreaming
I paint clouds with sunshine
oh thats my feeling

Could it be forever
that tonight i will remember
Together we're stronger than alone

[Refrain:]
Baby, I believe it's now or never,
together we are beautiful, i know
one song before i go,
just a song before i go

I believe it's now or never
oh will i see the sun again,
who knows
it's a long long way to go,
it's a long long way i know

I know my time will come
from the beginning i'm sure
I won't give up
life is for living
oh will I find tomorrow
Baby, can't you see my sorrows
nobody knows the way I feel tonight

[Refrain:]
I believe it's now or never,
together we are beautiful i know
one song before I go,
a song before I go

I believe it's now or never
or will i see the sun again
who knows

it's a long long way to go
it's a long long way I know

I believe it's now or never,
together we are beautiful i know
one song before I go,
a song before I go

I believe it's now or never
or will I see the sun again
who knows
it's a long long way to go,
it's a long long way i know
