I want to get you in my skin  
Shining like the ocean  
Only then can I awake  
And feel myself begin  
I want to fight for my own strength  
Cracking through the pavements  
Bones of harmony  
And fleshing running to see

My skeleton of stone  
My heart of burning bone  
My rapturous tone  
My aching for home  
My dancing on my tomb  
My butterfly wings are sewn  
My aching for home

If you want my spirit hold  
Release me let me go  
Only then can I awake  
To wreck my own payroll  
I want to the freedom to devour  
Every precious hour  
Like it is the only reason for what I'm feeling

My skeleton of stone  
My heart of burning bone  
My rapturous tone  
My aching for home  
My dancing on my tomb  
My butterfly wings are sewn  
My aching for home

I want to get you in my skin  
Shining like the ocean  
Only then can I awake  
And feel myself begin  
I want to fight for my own strength  
Cracking through the pavements  
Bones of harmony  
And fleshing running to see

My skeleton of stone  
My heart of burning bone  
My rapturous tone  
My aching for home  
My dancing on my tomb  
My butterfly wings are sewn  
My aching for home
