[Hook:]

I know that you hate me, but you'll never phase me
It takes much more to break me down
You're trying to shake me up
But it's never enough to hate on the ones you can't
budge
And I won't move for you
Cause I refuse to lose
No, I won't move for you
Cause I refuse to lose

[Verse:]

I know you hate me, you must be crazy
To think it's possible for you boys to play me
Except for maybe in your tape deck lately
Haters hate, as I saw "what up baby? "
Haha, I ain't moving, you can step aside
This is my city, my home, this is where I reside
Yup, and I am tired of ya'll talking sideways
Bitch, say it to my face

[Talking:]

You heard how the song goes, don't bite your tongue
We ain't hard to find, hahaha
C'mon man, grow some kahunas
Cause you swimmin in a deep river, we the piranhas
And if I'm honest, our level, ya'll boys ain't on it
Ain't it about time for ya'll to fizzle out like a comet?
We ain't going a damn place
Get used to the look and get to joining the campaign
Packing a bandwagon for our name
We don't get shook boy, this is our game

[Hook:]

I know that you hate me, but you'll never phase me
It takes much more to break me down
You're trying to shake me up
But it's never enough to hate on the ones you can't
budge
And I won't move for you
Cause I refuse to lose
No, I won't move for you

Cause I refuse to lose
