Baby come on over tonight
We can make it all right
Take a piece of my heart
And go from the start

You say that you want me
Again and again
You say that you need me
To be more than just your friend
So I've thought about it
And maybe you're right
I've been checking your records
And they seem all right

Baby come on over tonight
We can make it all right
Take a piece of my heart
And go from the start
Baby come on over tonight
We can make it all right
Boy there's no one like you
Do you feel it too

Oh

So when we get together
If just for a while
Let's make it happen
Don't waste any time
And now I need to find out
What you're about
So come on over tonight
Let's sort this out

Baby come on over tonight
We can make it all right make it all right
Take a piece of my heart
And go from the start
Baby come on over tonight baby
We can make it all right
Boy there's no one like you like you
Do you feel it too do you feel it too

Baby come on over tonight
We can make it all right
Take a piece of my heart
And go from the start
Baby come on over tonight come over
We can make it all right
Boy there's no one like you like you
Do you feel it too do you feel it too

Baby come over
Baby come over tonight
Baby come over
Baby come on over tonight
Baby come on over
Baby come on over tonight
Baby come on over
Baby come on over tonight

Baby come on over tonight
We can make it all right make it all right
Take a piece of my heart
And go from the start
Baby come on over tonight baby
We can make it all right
Boy there's no one like you like you
Do you feel it too do you feel it too
Baby come on over tonight
We can make it all right make it all right yeah
Take a piece of my heart
And go from the start
Baby come on over tonight come over
