Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start

You say that you want me, again and again
You say that you need me to be more than just you're
friend
So I thought about it and may be you're right
I've been checking your records and they seem all right

Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too?

So when we get together, if just for a while
Let's make it happen, don't waste any time
I know I need to find out, what you're about
So come over tonight let's sort this out

Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too?

Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too?

Baby come over, baby come over tonight
Baby come over, baby come on over tonight
Baby come on over, baby come over tonight
Baby come on over, baby come on over tonight

Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right
Boy there's no one like you, do you feel it too?

Baby come on over tonight, we can make it all right
Take a piece of my heart and go from the start
Baby come on over tonight, we can make it all right

Boy there's no one like you, do you feel it too?
