Can It Be Love?

It could be just in my fantasy
It could be just in my mind
A funny feeling you were giving me
Whenever you are coming around
Seem to be floating on a Cloud
Seem to be losing control

Can it be love that I feel in my heart?
Can it be love - have I fallen for you?
Can it be love?
Everlasting Emotion?
'Cos when you look at me and Smile I Know...

Would Never Ever Work like this
Would Never Ever happen so fast
Don't blame me 'Cos I can't help myself
Can't seem to open my Eyes - I'm dreaming

Seem to be floating on a Cloud
Seem to be losing control

Can it be love that I feel in my heart?
Can it be love - have I fallen for you?
Can it be love?
Everlasting Emotion?
'Cos when you look at me and Smile I Know...
Oooh I Wanna Know (Know, Know, Know)
Can it be love?
Oooh I - Oooh I Wanna Know

Yeah - Can it be love?

Just give me a smile
And I'll keep holding on
Until you will rescue me
Just give me a sign
And I will know
That you can Set me free...

Can it be love that I feel in my heart? (Can it be love?)

Can it be love - have I fallen for you? (Fallen for you)
Can it be love?
Everlasting Emotion? (Everlasting Emotion)
'Cos when you look at me and Smile I Know...
Can it be love that I feel in my heart? (Can it be love?)
Can it be love - have I fallen for you? (Uhh Uh)
Can it be love? (Can it be?)
Everlasting Emotion?
'Cos when you look at me and Smile I Know...
