[Verse 1:]

I don't need you to
Tell me i'm pretty to make me feel beautiful
I don't need you to
Give me your strength to make me feel i'm strong
I got all of this strength that I need here
inside my own two hands
All that I want is your love and respect for who I am
What I really need
Comes from deep inside of me

[Chorus:]

Don't need you to tell me i'm pretty to make me feel
beautiful
Don't need you to make me strong cuz i'm strong all on
my own
Doesn't come from outside
This beauty I know
Comes from inside my soul
Don't need you to tell me I'm pretty

[Verse 2:]

I don't need you to
Believe in me to make me know im worth believing in
I don't need you to
Lift me up high to know I can stand tall (I can stand tall)

[Bridge:]

I can stand my own ground
I can stand proud upon my own two feet
Don't have to be part of somebody else
To be complete
What I really need
Comes from deep inside of me

[Chorus]

[Verse 3:]

Don't need to come to you for...confirmation
Because I finally found too...this revelation
What I really need (what I really need)
Im gonna find inside of me (find inside of me)
Not in somebody else
Respect...comes when you respect yourself

[Chorus]

[Verse 4:]

Don't need you to tell me i'm pretty to make me feel

beautiful
Don't need you to lift me up, i can stand up on my own
Doesn't come from outside
This beauty I know (I know)
Comes from inside my soul
Don't need you to tell me i'm pretty to know i'm
beautiful
