Your love for me came as a waterfall,

flew in inside me like never before,

your love for me, something I didn't see, but baby I  
know better now.

When you walked in the room that very night, a special  
feeling just burst inside, it was only you, nobody else,  
but baby I know better now

Chorus:

Don't wanna love you if you don't love me, don't wanna  
need you when you won't need me too, don't wanna tell  
you this now but it wouldn't be right, If I, (If I) didn't tell  
you this tonight.

yeah yeah yeah yeah yeah

And now your back inside my house again,

I'm trying deeper to explain,

cuz baby I, wanna get it all and baby your the one for  
me.

And now that I have got you all alone,

after all this talking on the phone,

I should be strong, there's nothin wrong, I'll tell you this  
is where you belong.

(where you belong)

Chorus x 2

There was just something in your eyes that made me  
realize, now I hear voices deep inside, tellin me, tellin  
me to realize

Chorus x 2
