I remember when I still believed the things you said
Never would have thought that this would come to an
end
How was I to know that you had
Another Someone Else

I recall the days I loved you in a million ways
Suddenly You and me
From friends to History
I realised that my trust ain't coming back no more

Cos My Love For You
Will Always Last Eternally
Now I'm In My Heart
I loved you from the start
Baby it's Hard To Believe
That You and I were never meant to be

Does anybody know this feeling of despair
When you really love someone
When You really care
it's hard to walk away
When I really wanna stay with you

Does anybody know it tears you up inside
When you tried to decide
Between what's wrong and right
Gotta know for sure
That my love aint coming back no more

Cos My Love For You
Will Always Last Eternally
Now I'm In My Heart
I loved you from the start
Baby it's Hard To Believe
That You and I were never meant to be

Ohhhh Oh

Cos My Love For You
Will Always Last Eternally
Now I'm In My Heart

I loved you from the start
Baby it's Hard To Believe
That You and I were never meant to be

Yeh Yeh Yeh
That You and I were never meant to be
Yeh Yeh Yeh
That You and I were never meant to be
