Boy,you're bringing something down in me,baby....
Could this be my sensuality?

(Oh yeah)

(MMHM MNH)

(yeah,yeah,yeah,yeah,yeah,yeah)

(Oh yeah)

There's something that you're bringing down in me
Sensuality

Tonight,it's the two of us,

and when I feel you getting closer,I just get a rush.

My mind is racing ahead of me,

I anticipate the moment that it's gonna be.

No,I can't wait,I need your loving.

And from this day,we'll be together.

(Chorus)

Boy,I need you here,I need you now,

I gotta have your love somehow.

I just want to prove that I'm so good for you.

I won't let this moment go past,

am I moving too fast?

'cause there's something that you're bringing out in
me,

Sensuality.

So long since I held you tight,

I've been waiting for this moment,and tonight's the
night.

Hold on,let's just take our time,

don't be getting in a rush,boy,'cause today you're
mine.

Your tender touch is my temptation.

My mind's made up,let's stay together!

(Chorus)

Boy,I need you here,I need you now,

I gotta have your love somehow.

I just want to prove that I'm so good for you.

I won't let this moment go past,

am I moving too fast?

'cause there's something that you're bringing out in
me,

Sensuality.

Boy,you're bringing something down in me,baby (baby)

Could this be my sensuality?
(Chorus 2x)
Boy,I need you here,I need you now,
I gotta have your love somehow.
I just want to prove that I'm so good for you.
I won't let this moment go past
am I moving too fast?
'cause there's something that you're bringing out in
me,
Sensuality.
