To Sir With Love
(Duet With Lulu)

Samantha:
Those schoolgirl days of telling tales and biting nails
are gone
But in my mind I know they still will live on and on

Lulu:
But how do you thank someone
Who has taken you from crayons to perfume?
It isn't easy, but I'll try

Both:
If you wanted the sky
I would write across the sky in letters
That would soar a thousand feet high
To Sir, with love

Samantha:
The time has come for closing books and long last
looks must end
And as I leave I know that I am leaving my best friend

Lulu:
A friend who taught me right from wrong and weak
from strong
That's a lot to learn
What, what can I give you in return?

Both:
If you wanted the moon
I would try to make a start
But I, would rather you let me give my heart
To Sir, with love

Both:
If you wanted the moon
I would try to make a start
But I, would rather you let me give my heart
To Sir, with love
