Here I am, once again
Thinking of the same old friend
Lost my way, same old day, never gonna be okay
I lost my mind, was left behind
Yet I'm gonna keep on tryin'
I need your grace, once again
I hope this ain't the same old end

Come here, I need your help
I'm lost, will you tell me?
I can't, turn around
Will you please hold my hand?

Now that I've gone away
They've left me gone astray
See you another day...

The tears fall slowly
Make me cold inside
I'm feeling so lonely now
Will you please tell me why?

Why, why, whoa, whoa, oh

I wish I had a master plan
To think this through,
Another life, follow me
Once again to the same old end

Come here, I need your help
I'm lost, can you tell me?
I can't turn around
Will you please hold my hand?

Come here, I need your help
I'm lost, can you tell me?
I can't turn around
Will you please hold my hand?

The flight was a waste of time
They told me it'll be alright

They told me it'll be alright
They told me it'll be all...
